

V-Stand® Pro Keyboard Stand VS-88B

The V-Stand Pro is as versatile as it is visually striking. For use in sitting and standing positions, this capable stand can even hold DJ gear or mixers, and provides plenty of space at the base for all your keyboard pedals. The V-Stand Pro is additionally designed for portability, folding up into a mere 28.5" x 9.5" x 6" in its collapsed state- perfect for storage in the included V-Stand bag.

Pedal &
Seating
Space

Floor & Knee Space

Offering a range of height settings for sitting-to-standing playing comfort. Foot print allows plenty of room for pedals.

Height Adjustable

A simple lever flips out to adjust the height of both support arms. Numbers and marks on arms help with adjusting height.

Stabilizing End Cap

There is one stabilizing end cap. This cap allows the musician to level his keyboard.

Free Bag Included

The VS-88B folds up to 28.5" x 9.5" x 6" and fits inside an included bag. This makes it easy for transport and storage.

Second Tier
Not Included

Optional Second Tier

The VSIQ-200B Second Tier fits onto the VS-88B Pro & IQ-3000 keyboard stands. The second tier is highly adjustable with a built-in bubble level and memory lock.
