

Black & Red 36" Monitor Stands MS-90/36B (Black) MS-90/36R (Red)

The revised and updated MS Series studio reference monitor stands from Ultimate Support offer unparalleled innovation and strength for professional, project, and home studios alike.

Decoupling

Rubber decouplers help dissipate acoustic vibrations.

Three Channels

Three internal channels for cable and weight management.

Spiked/Rubber Feet

Metal spiked base for carpet or rubber foot caps for hard surfaces.

Sleek New Design

The new monitor design features a lighter weight base, removable foot caps and modular top that can fit a MS-80B on top.

Optional Top
Sold Separately

Fully Expandable System

MS-90/36 and MS-90/45 stands can now be combined with the MS-80B (sold separately), allowing more adjustment of the angle and axis of your speakers.
